WORK EXPERIENCE

Lysander Funds Limited

Investment Programs Associate

Toronto, ON

Aug 2025 – Present

- Lead portfolio oversight reporting across 27+ multi-asset funds (\$25B+ AUM), producing daily, weekly, monthly, and quarterly performance, attribution, and risk packages used by PMs and senior leadership in investment review and oversight meetings.
- Built and maintain a weekly Brinson-based attribution model and portfolio dashboard for the firm's fund-of-funds platform, decomposing returns into allocation and selection effects across underlying managers; referenced by the CIO, COO, and PMs in performance reviews and rebalancing decisions.
- Conduct ongoing manager due diligence across the fund-of-funds platform, combining quantitative performance and attribution review with manager meetings and industry events (e.g., FTSE Russell Annual Roundtable); analysis drove the addition of an All-Country equity strategy to the firm's balanced mandate.
- Lead production and delivery of client-facing fund profiles, factsheets, and advisor materials across 27+ funds in partnership with PMs and external service providers; materials used by the sales team across retail advisor and institutional channels.

Sharethrough

Risk & Controls Analyst Intern

Montreal, QC

May 2024 – Aug 2024

- Led internal control testing across Finance, Operations, and IT — walkthroughs, sample selection, evidence review — identifying process gaps and remediation actions.
- Authored workpapers, risk matrices, and process documentation supporting financial reporting controls, partnering with control owners across the business.

Manulife Securities

Wealth Management Intern

Montreal, QC

May 2023 – Aug 2023

- Performed fundamental analysis on equities, ETFs, and mutual funds, assessing business drivers, risk-adjusted returns, and macro factors to support investment recommendations.
- Contributed to portfolio construction and business development for an 80+ household practice with mandates spanning equities, fixed income, and alternatives.
- Coordinated with external advisors — accountants, notaries, and tax counsel — and participated in client meetings to design tax-efficient investment strategies.

Pratt & Whitney Canada

Tax and Finance Analyst Intern

Montreal, QC

Sep 2022 – Dec 2022

- Built monthly actuals-vs-budget/forecast variance analysis, identifying drivers and authoring commentary for management reporting.
- Supported month-end close (journal entries, budget validation) and contributed to SOX control documentation and process improvement initiatives.

EDUCATION

Concordia University – John Molson School of Business

Bachelor of Commerce, Finance

Montreal, QC

Sep 2021 – May 2025

- Varsity Rugby Student-Athlete — Vice-Captain
- FISA / JMSX Stock Trading Competition — Runner-up
- Relevant Coursework: Investment Analysis, Portfolio Management, M&A, Options and Futures
